“ Steve was part of a larger Ficquette family and was one of ten grandchildren of Arthur S. Ficquette, Sr. Steve was named after his dad "Harry" and his grandfather, Arthur S. Steve knew how the love of family would keep everyone strong through thick or thin. Steve and I grew up together in Central Florida. We enjoyed our time together growing up, having family get-togethers, going to each other's family weddings and, along the way, sharing some heartaches together. We went back to see the original homeplace in Elberton, Ga. together where our family roots began. Steve never met a stranger nor did his brothers. Steve was a big "Gator Nation fan" along with his brothers. The only time we differ was when Florida played Georgia in Jacksonville, FL the first weekend of November. Those of us who remain behind will always carry a fondest in our hearts for him and for his entire family. Steve is now in the arms of our Saviour Jesus Christ whom he knew very well. We send out our prayers to Lydia and to all of the children during this time of loss. Steve was a family man and he looked forward to every opportunity to watch and be with his children and grandchildren. He will be missed. With our deepest sympathy to Lydia and the entire family, Tom Ficquette (Wake Forest, NC)

“ I knew Steve since we were children waaaaay back in Dade City, he graduating with my sister, Suzy, and me graduating with his wife, Lydia. I was greatly saddened to learn of his passing and send my condolences to his wife, children, and grand children. To Lydia, I am so sorry for your loss but also know you are a strong woman and will be able to move forward - but certainly not before you take that precious time to grieve. Best regards, Candace Ghiselin Hundley (Tallahassee, FL)
