“ I met John in 1992. Over the years, we all went to Sebastian Inlet to surf, numerous Daytona Bike Weeks, Biketoberfests, cook outs, fun parties with bands, so many good times. I know he suffered through years of illness, but he always fought back and lived as long and as well as he could. My condolences to his family, he spoke of you often and with love.

“ John was family to me. He was my father's best friend and was around when I was born. Ever since I've known him he has been ill and always fought to live the way he wanted. He fought a long hard fight. I remember drinking whiskey and eating good cooking from John. He loved his Harleys and his Pig sauce. He was a awesome dude and I am proud to say I will miss ya man. Rest in peace Uncle John.
