“ Julie and I worked together at New River CI. We may have butted heads now and then but I believe we respected each other. I was saddened to hear of her passing. May God grant her peace and guide her family at this difficult time.

“ I am blessed Julie called me her friend. She was one of the most kind hearted giving women that I know. She loved helping people, and she NEVER met a stranger. She loved her family; it showed in everything she said and did for them. She will truly be missed by so many people. She just made this world a sweeter place. I'll see you again my friend.
