“ Miss Cathy and I planned a trip to Arizona to visit our sister, Jan. I won't go into detail about the "whys" of this story but just know I was her entertainment for the entire 2,000-mile trip to Phoenix, AZ. I would look over at her and she would burst into giggles. I asked her "Cathy, please don't tell Jan when we get to Arizona - she will think I'm going crazy." She promised not to tell and, guess what? That was the first thing she did when we saw Jan. She loved a good laugh and I gave her plenty of stories to tell. I will miss our Saturday morning phone visits over a cup of coffee. She was a wonderful little sister.

“ I was very sad to hear about Cathy. We were neighbors for many years when living with her sister Nancy. Last time I saw her was in Wal-Mart. Still smiling and always kind. I will miss her. Rest high my friend. Doreen
